Business Honor Society

Beta Gamma Sigma has been affiliated since 1919 with AACSB International - The Association to Advance Collegiate Schools of Business. Beta Gamma Sigma is the sole scholastic honor society recognized by AACSB International, and Beta Gamma Sigma (BGS) Chapters exist only on the campuses of business schools accredited by AACSB International.

The commitment to the highest standards of quality education from both Beta Gamma Sigma and AACSB International assures that BGS Lifetime Members truly are "The Best in Business".

BGS members are the top 10% of undergraduate students, top 20% of graduate students and all doctoral candidates that have successfully defended their dissertation at an AACSB accredited business school. AACSB accredits just 5% of schools worldwide assuring that BGS members belong to an organization synonymous with the highest standards of academic excellence.
